- Doubles skills and Doubles Effectiveness
- Past team engagement and performance (i.e. previous years' league scores), where available
- Scores from the tryout games (you will be randomly partnered and rotated)

The Club Pro may ask for the captains' help and opinion and player background during the teams' tryouts.

The tryout results will be communicated by the board of directors to the players after the tryouts, by email only. Players should not expect the Pro to communicate any results during the tryouts. Players must be members in good standing in order to play for any of the teams.
